St. Teresa’s Mission Statement
As members of St. Teresa’s Parish we fulfill our baptismal commitment
by being the hands and heart of Christ in our world.
We achieve this commitment by accepting the human dignity of all persons,
and by advocating for and serving those oppressed in our society.
The community of St. Teresa’s finds its strength to fulfill this through participation
in the Eucharist, prayer, learning the building of relationships, and action for Justice.

Sometimes the best way to reduce your carbon footprint is to remember the basics. Always be sure to turn off lights when you leave a room, turn off your laptop and monitor when you leave work for the day, turn off the water when brushing your teeth, take short showers, and turn down the thermostat when you’re not home. Remember that small daily actions add up to have big impacts!

As you can see, the texts appear to draw upon the same source. However, Matthew and Luke present the material quite differently. Since we are in Cycle-C, an observation about Luke.

In Luke’s account, what is startling about Jesus’ teaching is the reversal it proclaims. The blessed are those who are poor, who are hungry, who weep, and who are persecuted. The woeful ones are the rich, the satisfied, the joyful, and the respected. Jesus has overturned the standards of the age and established new standards, those of the reign of God. This is consistent with the message of Jesus found elsewhere in the scripture where he tells us that the last shall be first, the greater among you shall be the junior, and the leader your servant.
